Table of Contents

| | |
|---|------|
| Foreword | ix |
| Acknowledgements | xi |
| Acronyms | xiii |
| Highlights | 1 |
| 1. Introduction | 23 |
| 2. Developments in Africa's Regional Integration | 27 |
| 2.1 Introduction | 27 |
| 2.2 Thematic progress and challenges | 31 |
| 2.3 Physical integration | 39 |
| 2.4 Water | 50 |
| 2.5 Information and communications technologies (ICTs) | 51 |
| 2.6 Conclusion | 55 |
| References | 57 |
| 3. Theoretical Perspectives of Monetary Integration | 59 |
| 3.1 Introduction | 59 |
| 3.2 Fixed versus floating exchange rates | 64 |
| 3.3 From exchange rate regime to monetary union: the theory of the optimal currency areas | 73 |
| 3.4 European Union experience with monetary union | 81 |
| 3.5 Convergence criteria | 88 |
| 3.6 Challenges for Africa | 90 |
| 3.7 Conclusion | 94 |
| References | 96 |

| | | |
|-----|---|-----|
| 4. | Theoretical Perspectives of Financial Development and Financial Integration | 103 |
| 4.1 | Introduction | 103 |
| 4.2 | The functional roles of the financial system | 104 |
| 4.3 | Financial structure and growth | 110 |
| 4.4 | Financial integration | 120 |
| 4.5 | Financial integration and the role of foreign banks in domestic financial systems | 124 |
| 4.6 | Lessons from the European Union | 129 |
| 4.7 | Conclusion | 130 |
| | References | 131 |
| 5. | Empirical Evidence on Macroeconomic Convergence in African RECs | 137 |
| 5.1 | Introduction | 137 |
| 5.2 | Convergence in monetary and fiscal policy in African RECs | 138 |
| | References | 179 |
| 6. | Monetary Integration in Africa | 183 |
| 6.1 | Introduction | 183 |
| 6.2 | Africa's experience with monetary cooperation | 184 |
| 6.3 | Monetary cooperation arrangements of the regional economic communities | 191 |
| 6.4 | Comparative analysis | 236 |
| 6.5 | Conclusion | 250 |
| | Reference | 253 |
| 7. | Financial Integration in Africa | 255 |
| 7.1 | Introduction | 255 |
| 7.2 | Need for financial integration | 256 |
| 7.3 | Markets and stock exchanges in Africa | 257 |
| 7.4 | Regional integration of African capital markets | 268 |
| 7.5 | Regional financial institutions in Africa | 278 |
| 7.6 | Conclusion | 281 |
| | References | 283 |

| | | |
|-----|-----------------------|-----|
| 8. | The Way Forward | 285 |
| 8.1 | Introduction | 285 |
| 8.2 | Monetary Cooperation | 285 |
| 8.3 | Financial cooperation | 288 |

Boxes

| | | |
|-----|--|-----|
| 2.1 | Phases of the AEC | 28 |
| 2.2 | UEMOA Community Infrastructure and Road Strategy and Action Plan | 41 |
| 3.1 | Existing regional monetary and financial cooperation among developing countries | 63 |
| 3.2 | The Communauté financière africaine – Africa’s main experience with monetary union | 78 |
| 3.3 | Mundell’s Blueprint for Monetary Integration in Africa | 92 |
| 4.1 | Measuring financial integration | 122 |
| 5.1 | Convergence of per capita income in Central Africa | 147 |
| 6.1 | The Euro Convergence Criteria | 216 |
| 6.2 | Gordon Brown’s Five Economic Tests for Joining the Euro Zone | 217 |
| 6.3 | The Internal Adjustment Strategy | 219 |
| 6.4 | Multilateral surveillance mechanism | 223 |

Figures

| | | |
|-----|---|-----|
| 3.1 | Exchange Rate Arrangements in Developing Countries, 1984, 1994 and 2004 (per cent of total) | 65 |
| 3.2 | Total and Intra-Euro Zone Trade, 1970-2004 | 87 |
| 5.1 | Dispersion (standard deviation) of inflation in SADC, COMESA and ECOWAS countries | 140 |
| 5.2 | Dispersion (standard deviation) of inflation across CEMAC and UEMOA countries | 142 |
| 5.3 | Dispersion (standard deviation) of fiscal balance in SADC, COMESA and ECOWAS countries | 143 |
| 5.4 | Dispersion (standard deviation) of fiscal balance in CEMAC and UEMOA countries | 144 |
| 5.5 | Plot of standard deviation of per capita income among African RECs | 150 |
| A.1 | Convergence of per capita income across SADC countries, 1980-2003 | 170 |
| A.2 | Convergence of per capita income across COMESA countries, 1981-2003 | 170 |
| A.3 | Convergence of per capita income across ECOWAS countries, 1980-2003 | 171 |
| A.4 | Convergence of per capita income across CEMAC countries, 1985-2003 | 171 |
| A.5 | Convergence of per capita income across UEMOA countries, 1980-2003 | 172 |
| 6.1 | Legal instruments governing arrangements | 237 |

| | | |
|-----|---|-----|
| 6.2 | Existence of multilateral surveillance mechanism | 241 |
| 6.3 | Level of attendance at mandatory meetings | 247 |
| 6.4 | Existence of an enforcement mechanism or instrument | 248 |
| 6.5 | Strengthening of RECs' surveillance | 249 |
| 7.1 | Existence of regional policy on financial sector deregulation | 280 |

Tables

| | | |
|------|---|-----|
| 2.1 | Intra-REC indices of export trends (base year = 2000) | 33 |
| 2.2 | Intra-REC indices of import trends (base year = 2000) | 34 |
| 2.3 | Overall direction of trade (average percentage of exports and imports between 2000 and 2005) | 35 |
| 2.4 | African merchandise exports | 36 |
| 3.1 | Growth and Volatility of World Output and Trade, 1870-1990 | 60 |
| 3.2 | Regional Average Per Capita Income Growth Rates, 1961-2003 | 62 |
| 3.3 | Assignment of Policy Tools to Policy Goals under Floating Exchange Rate (*) and Fixed Exchange Rate (#) Regimes | 70 |
| 5.1 | Standard deviation of per capita income (in constant US\$, 2000=100) among RECs. | 149 |
| A.1 | Sigma convergence test results for macroeconomic variables | 159 |
| A.2 | Unit root tests for SADC individual country series deviation from regional mean | 159 |
| A.4 | Unit root tests for ECOWAS individual country series deviation from regional mean | 161 |
| A.5 | Unit root tests for CEMAC individual country series deviation from regional mean | 161 |
| A.6 | Unit root tests for UEMOA individual country series deviation from regional mean | 162 |
| A.7 | Unit root test results on pooled observations (series deviation from regional mean) | 162 |
| A.8 | Cointegration tests of macroeconomic variables in SADC countries | 163 |
| A.9 | Cointegration analysis of inflation in SADC countries | 164 |
| A.10 | Cointegration analysis on fiscal balance of SADC countries | 164 |
| A.11 | Cointegration tests of macroeconomic variables in COMESA countries | 165 |
| A.12 | Cointegration analysis of inflation in COMESA countries | 166 |
| A.13 | Cointegration tests of macroeconomic variables for ECOWAS countries | 166 |
| A.14 | Cointegration analysis of inflation in ECOWAS countries | 167 |
| A.15 | Cointegration analysis of fiscal balance in ECOWAS countries | 167 |
| A.16 | Cointegration results for CEMAC countries | 168 |
| A.17 | Cointegration tests on macroeconomic variables for UEMOA countries | 168 |
| A.18 | Cointegration analysis of inflation series in UEMOA countries | 169 |

| | | |
|------|--|-----|
| A.19 | Cointegration analysis of fiscal balance series in UEMOA countries | 169 |
| A.20 | Estimated results for income convergence among African RECS | 173 |
| A.21 | Estimated length of time (years) for absolute and conditional convergence. | 173 |
| A.22 | Sigma test results for per capita income variables | 174 |
| A.23 | Cointegration results for per capita incomes for SACU countries in SADC | 174 |
| A.24 | Cointegration results for per capita incomes for non-SACU countries in SADC | 175 |
| A.25 | Cointegration results for per capita incomes for CEMAC countries | 176 |
| A.26 | Cointegration results for per capita incomes for UEMOA countries in ECOWAS | 177 |
| A.27 | Cointegration results for per capita incomes for non-UEMOA countries in ECOWAS | 178 |
| 6.1 | Macroeconomic convergence criteria | 192 |
| 6.2 | Growth performance in SADC | 195 |
| 6.3 | Inflation rates in SADC | 196 |
| 6.4 | Net foreign direct investments (FDI in millions of US dollars) to SADC | 197 |
| 6.5 | Revised convergence criteria in COMESA | 199 |
| 6.6 | Inflation rates in COMESA | 201 |
| 6.7 | Growth performance in COMESA | 205 |
| 6.8 | Net foreign direct investments (FDI in millions of US dollars) to COMESA | 207 |
| 6.9 | ECOWAS macroeconomic convergence criteria | 209 |
| 6.10 | Growth performance in ECOWAS | 210 |
| 6.11 | Inflation rates in ECOWAS | 211 |
| 6.12 | Net foreign direct investments (FDIs in millions of US dollars) to the ECOWAS region | 212 |
| 6.13 | Growth performance in the EAC region | 215 |
| 6.14 | Inflation rates in the EAC region | 215 |
| 6.15 | Net foreign direct investment (FDI in millions of US dollars) to EAC | 217 |
| 6.16 | Growth performance in the CEMAC region | 220 |
| 6.17 | Inflation rates in the CEMAC region | 221 |
| 6.18 | Net foreign direct investments (FDIs in millions of US dollars) to the CEMAC region | 221 |
| 6.19 | Inflation rates in the UEMOA region | 224 |
| 6.20 | Budget deficit/GDP (percent) in the UEMOA region | 225 |
| 6.21 | Ceiling on total public debt/GDP (per cent) in the UEMOA region | 225 |
| 6.22 | Internal and external arrears in the UEMOA region | 226 |
| 6.23 | Wage bill/tax revenue (percentage) in the UEMOA region | 227 |

| | | |
|------|---|-----|
| 6.24 | Public investment/tax revenue (percentage) in the UEMOA region | 227 |
| 6.25 | Tax revenue/GDP (percentage) in the UEMOA region | 228 |
| 6.26 | Current account deficit /GDP (percentage) in the UEMOA region | 228 |
| 6.27 | Growth performance in UEMOA | 229 |
| 6.28 | Net foreign direct investment (FDI in millions of US dollars) to UEMOA | 229 |
| 6.29 | Countries involved in monetary and financial arrangements during the colonial era | 237 |
| 6.30 | Main features of the monetary and financial arrangements | 238 |
| 6.31 | Main objectives of REC monetary cooperation | 239 |
| 6.32 | Current framework for macroeconomic policy convergence in RECs | 240 |
| 6.33 | Main features of monetary cooperation in RECs | 241 |
| 6.34 | Multilateral surveillance mechanism objectives and features | 242 |
| 6.35 | RECs macroeconomic convergence criteria | 243 |
| 6.36 | Roles and functions of the statutory organs in charge of carrying out and monitoring the macroeconomic convergence activities within the REC - part one | 245 |
| 6.37 | Roles and functions of the statutory organs in charge of carrying out and monitoring the macroeconomic convergence activities within the REC - part two | 246 |
| 6.38 | Main achievements of organs in promoting monetary cooperation and discipline within the RECs | 247 |
| 6.39 | Constraints in implementing the arrangements and measures taken to address them | 249 |
| 6.40 | Reasons invoked for good/poor performance | 251 |
| 7.1 | Snapshot of the Johannesburg Stock Exchange (JSE) | 260 |
| 7.2 | Snapshot of the Namibian Stock Exchange | 261 |
| 7.3 | Snapshot of the Cairo and Alexandria Stock Exchanges (CASE) | 261 |
| 7.4 | Snapshot of the Casablanca Stock Exchange | 262 |
| 7.5 | Snapshot of the Zimbabwe Stock Exchange | 263 |
| 7.6 | List of financial institutions in each REC | 278 |
| 7.7 | Relationship between national and regional financial institutions | 279 |
| 7.8 | Regional policy on financial sector deregulation | 281 |
