INTRODUCTION

Country Questionnaire for the Fifteenth-Year Review and Appraisal of the Implementation of the Beijing Platform for Action (BPFA) +15

The adoption of the Beijing Platform for Action (BPFA) in 1995 ushered in a new era in terms of addressing women's empowerment and advancement. The inception of this Platform carried with it, a call for Governments to accelerate their efforts towards addressing gender inequality. In 2004, and in line with the BPFA, African member States reiterated their commitment to the provisions of the Platform and to gender equality in general. African member States committed themselves to addressing challenges as identified in the *Synthesis of the national progress reports on the implementation of the Dakar and Beijing Platforms for Action* (2004). The current review will therefore cover the extent to which countries have scaled up efforts, post the 7th African Regional Conference on Women (Beijing+ 10).

The United Nations (UN) General Assembly has mandated the UN Regional Commissions, including the UN Economic Commission for Africa (ECA), to follow-up the implementation of the BPFA. At the recent meeting of the Committee on Women and Development (CWD), the process for the African review of the implementation of the Platform was presented to member States. This process was adopted with amendments during the CWD session in August 2008.

The process for the African review will be carried out by a number of stakeholders including the AU and UN Agencies. To ensure that a comprehensive review is undertaken, this questionnaire seeks to solicit information on the status of implementation of policies, programmes and legislation in the area of women's empowerment and advancement in your country. It will be appreciated if this questionnaire could be filled in a collaborative way and in consultation with all stakeholders involved in the implementation of activities related to the empowerment and advancement of women in your country. The national gender machinery is expected to coordinate the completion of this questionnaire and also provide documents supporting information provided.

The completed questionnaires will be analysed and summarized by ECA and the results will be published in the *synthesis report* of the regional report on Beijing+ 15. The report will form part of Africa's contribution to the global review and appraisal of the Beijing +15.

The ECA Executive Secretary would therefore appreciate it if you could submit the completed questionnaire to ECA through the REC and ECA Sub-Regional Office in your region, for onward transmission to:
