

International Conference and Exhibition on Groundwater in Ethiopia 25-27 May, 2004.

UNECA-Conference Center, Addis Ababa, Ethiopia

Status of conference paper presenters

No.	Organization / Institution	Presenter	Title	Abstract	Full paper	Confirmation (Author informed)	Remark/Address
1	US Bureau of reclamation	Dr. George Bwalya Matanga	A Fully –coupled surface/subsurface flow and transport model for watersheds and irrigated agricultural lands: Model overview (NO 29)	✓			to be informed yet
2	Addis Ababa Water & Sewerage Authority		Case study of Akaki Groundwater Modeling			✓	Commissioned by the authority/ timely reminder is needed
3		Dr. Ricky Murray & Mr. Phillio Ravenscroft	Implementing Municipal and Rural groundwater management: Lessons from South Africa relevance for Ethiopia (NO-30)		✓	?	to be informed yet ricky@groundwater.co.za
4	SNNPRS Water Resources Bureau	Ato Getachew Geletu	Introduction to drilling operation in SNNPRS (NO-31)	✓		✓	OK
5	SNNPRS Water Resources Bureau	Ato Kedir Yasin	Preliminary survey of Groundwater Potential of SNNPRS (NO-32)	✓		✓	OK
6	Ministry of Water Resources	Ato Samson Tsewameskel	Excessive Fluoride: Major Groundwater quality problem in Ethiopia (NO-34)		✓	✓	OK
7	Ministry of Water Resources	Ato Samson Tsewameskel	Groundwater resources Evaluation using Isotope Analysis (NO-35)		✓	✓	OK

8	Ministry of Water Resources	Ato Samson Tsewameskel	Conceptual Groundwater quality models for Sabiyan Well field (NO-4)		✓	✓	
9		Ato Mesfin Aytenffisu & Ato Engida Zemedagegnehu	Prospects of Groundwater exploration for Irrigation in Drought Prone areas of Ethiopia (NO-36)	✓		✓	Tel 09-253292
10	Oromiya Water Resources Bureau	Ato Taye Alemayehu	Family approach: Development & Management option for shallow water resources (a case in Oromiya region (NO-27)		✓	✓	Tel 09-212505
11		Mr. Amar Raj	Economics & Effective Drilling Operation for Rural Water Supply (NO---				Through UNICEF
12	Natural Resources Canada	Mr. Yvon Maurice	The transfer of Canadian technology in Groundwater Management to Developing Nations: example of NE-Brazil (NO-16)	✓			e- mail-ymaurice@NRCan.gc.ca
13	Mekele University	Dr. Dessie Nedaw	Groundwater potentiality of the alluvial aquifers in Raya Valley- (hard copy)	✓			Tel- 04-
14	Mekele University	Mr. Trufat Hailemariam	Surface Harvesting and Groundwater recharge with implications to conjunctive water resources Management in Tigray Region (Hard copy)	✓		✓	Tel- 04-
15	Mekele University	Dr. Nata Tadesse	Sustainable groundwater resources management; a case study in the Weri River basin, Tigray, Ethiopia (No 21)		✓	✓	Tel 04-
16	Ethiopian Geological Survey	Ato Ketema	Strategic planning for Groundwater assessment in Ethiopia (NO-32)	✓		✓	Tel 09-213420
17	RWSN	Mr. Julian Jones	Low cost drilling initiatives (NO-32)				On behalf of HTN through UNICEF

18	Amhara Water Works Construction Enterprise	Ato Teshome Maru	Combined use of electrical resistivity and seismic refraction in Groundwater exploration in Doon Valley of India (NO-22)		✓	✓	Bahir dar
19	Amhara Water Works Construction Enterprise	Ato Teshome Maru	Water Drilling and challenges in Amhara region (NO-28)		✓	✓	Bahir dar
20	Ethiopian Geological Survey	Ato Bayessa Asfaw	Regional Hydro geological Investigations of Northern Ethiopia (NO-1)		✓	✓	
21	Ethiopian Geological Survey	Ketema, Zenaw, Bjorn, Atle, David, Ricky	Development of Mapping and Assessment Tools for sustainable Groundwater Management in Ethiopia (NO-3)		✓	✓	
22	Ethiopian Geological Survey	Ato sileshi Mamo	Water Balance evaluation, Leakage rate and total water loss of koka reservoir, Ethiopia: Comments on previous studies and new determinations (NO-5)	✓			
23	Ethiopian Geological Survey	Ato sileshi Mamo	Tracing of Leakage path of Koka reservoir, Ethiopia, Based on Geological Hydro geological and Environmental Isotopes (NO-8)				
24	Ethiopian Geological Survey	Ato Getachew H/Micheal	State of Ethiopian Groundwater 2004 (NO-32)				???
25		Ato Assegede Mamo	The Hand pump and wells issue (NO-6)				Tel 09-227964
26	Addis Ababa University	Dr.Tenalem Ayanew	Characterization of the groundwater system and its implication for development in parts of the Awash Ziway Basins (NO-2)				Tel 553214 e-mail-tenalema@yahoo.com
27	UNICEF	Vanessa Tobin	UNICEF's World Wide role in Groundwater development				through UNICEF
28	UNICEF	UNICEF Eastern & Southern Africa regional director	UNICEF's role in groundwater development in east and southern Africa				Ditto

29	UNICEF	Bjorn Ljungqvist	UNICEF in support of groundwater in Ethiopia				Ditto
30	UNICEF	Ato Getachew H/Micheal	Study on Groundwater development and potential and future requirements for development in Ethiopia (NO-32)				Ditto
31	UNICEF	Peter Wurzel	The Hand pump option				Ditto
32	UNICEF	Mansoor Ali	Perspectives on drilling				Ditto
33	UNICEF	Atnafe Beyene & Rahel Kaba	Sustainability of water supply systems				Ditto
34	ECA		Strategies for suitable groundwater management in Africa (NO-32)				To be confirmed yet
35	Benshangul Region Water Resources Bureau						To be confirmed yet
36	Arab Minsch Water Technology Institute						To be confirmed yet
37	Arab Minsch Water Technology Institute						To be confirmed yet
38	USGS	Pat Tucci	A Data base for groundwater Management in Ethiopia (NO-25)		✓	✓	E mail:-ptucci@usgs.gov
39	Canadian Geological Survey						To be confirmed yet
40	Relief Society of Tigay						To be confirmed yet
41	JICA		Integration of groundwater related information and establishment of GIS assisted groundwater database (NO-12)	✓		✓	
42	JICA		Short term training fro water well drillers and standard for groundwater equipment and materials				Capacity Building paper under preparation by JICA
43	AGCON	Ato Abebe G/Hiwot	Case studies on pumping test activities in Ethiopia (NO-9+13) together				ok TEL-09-211792

44	AGCON	Ato Abebe G/Hiwot	Case studies on water well drilling & well completion problems with proposed solutions (NO-11).				Ditto
45		Ato Shiferaw Lulu	Importance of Hydro geological mapping for groundwater development: Case study on UNDP assisted hydro geological mapping project of Yergalem and Kilisa sheets in SNNPRS (NO-7)	✓			OK
46	EOC –Department for Inter Church Aid Cooperation						To be confirmed yet
47	Norwegian Church Aid						
48	Pat- Drill Europe	Peter Balll	Drilled water in Africa – cost, Management and equipment (NO-32)				through UNICEF
49		Rupert Talbot	Drilling in India-The transition from government operated drilling to private sector intervention –the effects on cost and capacity building (NO-32)				through UNICEF
50			Presentation from Nigeria				Ditto
51			Presentation from Kenya				Ditto
52			Presentation from Sudan				Ditto
53			Presentation from Pakistan				Ditto
54	Waterloo hydro geologic Institute		Groundwater resources inventory and mapping				OK
55	Ethiopian Water Works Design and Supervision Enterprise		Drilling cost and options of drilling cost reduction				UNICEF commissioned study
56			Design of water wells for water well drilling (NO-32)				???
57			Operation and administration of Groundwater (NO-				??

58	World Vision		Advocacy and promotion for groundwater management				Not confirmed yet
59	Atlas Copco		Presentation by drilling rig manufacturers				OK
60	Atlas Copco		Presentation supply of equipment tools and materials				OK
61	Rural Water Supply & Environmental Program in Amhara Region	Arto Suominen & Mesfin Urgessa	Community Development fund approach in RWS financing, Experience from RWSEP (NO-32)		✓	✓	OK
62	AAU	Prf. JCV Sastri	Microbial pollution of both shallow and deep groundwater sources of Ethiopia (NO-39)		✓	✓	Ok
63		Ato Mesfin Shenkut	Prospect of Groundwater irrigation in Ethiopia (NO-31)	✓		✓	OK
