

Database of African Experts and the Diaspora - QUESTIONNAIRE

Introduction:

The Economic Commission for Africa (ECA) is co-ordinating activities related to the development of database on African experts and the Diaspora, and make them available for access and utilisation by member States, development partners and others. The database is believed to constitute an essential information base where users could tap into for identifying trained workforce they require to establish and maintain research networks, virtual learning networks, policy reforms, etc. This process is planned to start with the collection of bio data from African experts including those in the Diaspora. Therefore, we would appreciate very much if you could complete the attached questionnaire, and send it to the address below:
