Climate and Sustainable
Development Action
Club

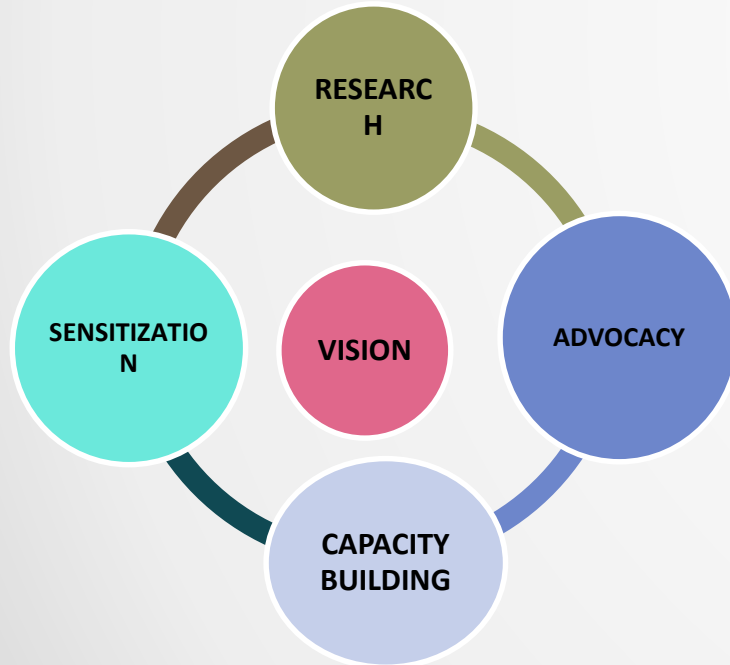

OUR SDG JOURNEY, 2019 to 2023

VISION

Build a rural Africa resilient to climate variability and environmentally conscious populations motivated by sustainable development actions and strategies.

Project One Sachet One Tree: over 200 moringa and neem trees donated to women groups to support revegetation of the land. (SDG 13)

Youth Challenge Fund, 2020: Trained some 20 females and 10 males in renewable energy technology for irrigation as a Covid-19 recovery strategy. Green jobs created. (SDGs1,7,8)

Women's Health Everywhere: To reduce maternal and infant mortality by increasing access to antenatal services. (SDG 3)

Vulgarisation of SDGs in French and Local Languages: Trained 17 young girls from Maradi, Dosso and Tillabéri into SDG ambassadors to lead SDG activities and advocate for Climate Actions in their communities. 102 actions conducted and 3,502 direct beneficiaries, 65,000 online. (All 17 SDGs)

Karra Mazada Weyna Albarka Tchire (Karra Community's Success From The Sun), SDG7

Community entry and engagement Processes. Participatory Planning
