

ECO WASTE TO WEALTH

WASTE RECYCLING CENTRE

CIRCULAR ECONOMY

Reuse, Recycle, Regenerate what Is already Made

 United Nations
Economic Commission for Africa

 African
Union

10th Conference on Climate Change and Development in Africa (CCDA-X)

Just Transitions in Africa: Transforming Dialogue into Action

Windhoek, Namibia 24 - 28 October 2022

natural eco capital

Natural Eco Capital is a sustainability firm incorporated in 2016

headquartered in Lagos with branches in Abuja and Benin City.
Commissioning a Branch in Cameroon soon

Core interest in emerging issues of sustainability

- Transition to long-term low carbon emissions and resilience building
- Sustainable Finance
- Natural capital accounting
- Circular economy

Our Circular Economy solution - principles

Remake what
has already been
made

Rethink waste as
a resource

Turn waste into
new resources and
re-introduce to
production chain

Promotion of
recycling and
reduction of land-
filling

PHASES

PHASE 1

Waste Aggregation and
Processing into Flakes

PHASE 2

Waste Conversion

ECO WASTE TO WEALTH ACTIVITIES

Aggregation

Processing

Offtake of Products

BUSINESS MODEL

Sourcing:

low-income earners,
unemployed youth, and
women

Manufacturing:

Locally fabricated
machines that crushes
PET bottles to flakes

Sales:

exporters/end
users

Customers service:

Pricing- suppliers
Quality materials –
end product buyer

OUR PRODUCTS

Recycled

TARGETS AND INCENTIVES

- Youths' empowerment and Training- make waste recycling an attractive and profitable business for unemployed youths and low-income earners (returnees and would-be illegal migrants).
- Reduce natural resource consumption and save energy through waste recycling
- Clean and healthy environment- **Improve the ecosystem for a positive impact on climate**
- Reduction in the crime rate through empowerment
- Promotion of SDGs 1, 8,11,12,13

OUR IMPACT

Training over 300 individual in waste collection and aggregation

COLLECTORS & AGGREGATORS TRAINING: New Techniques in Waste Collection/ Aggregation for Additional Income

- Are you resident in Edo?
- Are you unemployed?
- Are you seeking additional stream of income?
- Do you want to be your own boss?
- Are you a lover of clean environment?

If Yes, then this is an opportunity for you.

Join this waste to wealth training to be a collector or aggregator that supplies/sells nylon and plastic waste to recycling companies.
