# Gender Statistics Imperatives in Africa

## JOINT AFRICA CONFERENCE ON GENDER STATISTICS

An annual Africa-wide forum for gender statistics producers and users to share best practices and develop common strategies to rationalize, harmonize, and improve the measurement and use of gender statistics in Africa.

More than 100 African representatives from Ministries, national statistical offices (NSO), and civil society organizations (CSOs) directly involved in the production and use of gender statistics will convene in Nairobi, Kenya for interactive peer-led sessions to share new knowledge, tools, and guidelines, exchange best practices, and inform future action plans for gender statistics in Africa.

### ON THE AGENDA
