Welcome to Cabo Verde

Dear Participants,

The African Economic Conference (AEC) co-organizers, the African Development Bank (AfDB), the Economic Commission for Africa (ECA), the United Nations Development Programme (UNDP) and Government of Cabo Verde welcome you to this sixteenth edition of the AEC.

The conference sessions will be held in hybrid format (virtual and in-person) at the Hilton Hotel in Santa Maria, Sal Island, Cabo Verde from 2 to 4 December 2021.

The meetings will start at 08:30 am and end at 19:00hrs (GMT-1) from Thursday 2 December to Friday 3 December. Saturday 4 December will be a half-day ending at 16.00hrs. Please refer to the latest Agenda for any updates to this schedule.

Find below general information on the Conference arrangements that may be helpful in planning your travel to Sal Island and for your participation in the Conference.

1. Conference Venue and Accommodation

Sal is part of Cabo Verde, a group of 10 islands sprinkled off the west coast of Africa. They’re relatively unknown in the mainstream market and, thanks to their location, they’re a unique melting pot of cultures. The islands were originally discovered by the Portuguese, and there’s also a mixture of African and Brazilian influences. You’ll see it in the island’s music, fashion and, perhaps most obviously, in the food.

Santa Maria is a city in the southern part of the island municipality of Sal. It is located on the south coast, about 16 km south of the Amílcar Cabral International Airport, and 20 km south of the island capital Espargos.
Sal’s busiest town is Santa Maria, a Crayola-colored hub filled with surf stores, craft shops, and restaurants that serve local specialties, like steaming catchupa stew. Most of the hotels on the island are lined up along the town’s beach – an eight-kilometer stretch of sand dotted with beach bars and windsurfing centres.
