

# Macroeconomics and Governance Division Side Event on:

“The urgent needs to ensure  
high-quality data supply:  
experience sharing and  
the way forward”

(StatCom-Africa VIII)

## Modernizing data ecosystem in Africa to support regional integration

**Date:** 23 October 2022

**Time:** 14:00 to 16:00 (Addis Time)

**Venue:** the United Nations Conference Center (UNCC), room number CR3

**Format:** Hybrid

This side event is a platform for Macroeconomics and Governance Division and its stakeholders to share experiences and discuss their needs related to high-quality data supply to support day-to-day work. The event is a potential platform to showcase practical examples of how gaps in data quality affects the Macroeconomics and Governance Division work in supporting member states to achieve the structural transformation and inclusive growth in Africa. It provides an opportunity to bring awareness of the issues related to data quality that have been faced by the division and its stakeholders.
