## FUNSA Announcement

### Message of Condolences for the Victims of Lebanon Blast

On behalf of the Federation of the United Nations Staff Association in Ethiopia (FUNSA) , and on behalf of our global constituency we would like to express our deepest condolences and support for all the victims in Beirut, their families, our colleagues from the United Nations Economic Commission for West Asia **(ESCWA)** and the United Nations Interim Force in Lebanon **(UNIFIL)**, and the whole city at large during this difficult time. We express our solidarity and sympathy to our members, the local public workers, and the people of Beirut and Lebanon.

Our thoughts and prayers are with the families and friends of those who have been injured or lost their lives, and all those whose homes and livelihoods have been affected.

FUNSA will be organizing a fund raising for the victims.

Thank You

Nassirou Ba; President

FUNSA
