Dear Colleagues,

Many of you have been in touch with us with questions on **how the UN Joint Staff Pension Fund invests your money**, including in terms of financial sustainability, external management and its adherence with environmental, social and governance (ESG) standards.

To this end, the CCISUA federation, to which your union belongs, is organizing a **global online townhall** on this issue.

It will be held on **Monday 28 February at 2 pm European time / 4PM Addis Time**. You can access it through this link: -
