Inclusive Transformation for Sustainable Development

Takyiwaa Manuh
Economic Commission for Africa
Inclusion: A priority for sustainable development

“equal opportunities for all citizens so that they can achieve their potential in life regardless of background, including through full and active participation in civic, social, economic and political aspects of life”
Inclusion in the 2030 Agenda for Sustainable Development and Agenda 2063

- Access to opportunities
- Human development
- Participation in decision-making

Inclusion
Inclusive Transformation in Africa

Structural transformation

Resilient, sustainable and job-rich economies

Inclusive societies
The state of inclusion in Africa

Structural Challenges

Progress
Strategic policy anchors for inclusive transformation

Economic transformation for decent jobs

Harnessing the demographic dividend: Healthy, educated and skilled individuals

Ensuring a decent life for the elderly

Redistributive social policies

Sustainable urbanization

Adequate institutional, legislative and financing frameworks

Evidence-based and participatory implementation, monitoring and review
Way forward

Agenda 2030 for Sustainable Development

Inclusion

Agenda 2063
