By decision 1994/303 of 29 July 1994, the Council on recommendation of the Commission as contained in paragraph 10 of declaration 1 (xxix) adopted by Commission on 4 May 1994, decided to readmit South Africa as a member of the Commission.

r/ Formed on 26 April 1964 by the union of Tanganyika and Zanzibar, which became Members of the United Nations in 1961 and 1963 respectively.
6. The Non-Self-Governing Territories situated within the geographical area defined in paragraph 4 above shall be associate members of the Commission.

7. Representatives of associate members shall be entitled to participate without vote in all meetings of the Commission, whether sitting as commission or as committee of the whole.

8. Representatives of associate members shall be eligible to be appointed as members of any committee or any other subordinate body which may be set up by the Commission, and to hold office in such bodies.

9. The Commission shall invite any Member of the United Nations not a member of the Commission to participate, in a consultative capacity, in its consideration of any matter of particular concern to the non-member, following the practices of the Economic and Social Council.

10. The Commission shall invite any national liberation movement recognized by the Organization of African Unity to send observers to participate in its consideration of any matter of interest to that movement. Such observers shall have the right to submit proposals which may be voted upon at the request of any member of the Commission. The Commission shall defray all travel and other related expenses of representatives of the national liberation movements invited to attend such proceedings.

11. The Commission shall invite representatives of specialized agencies to attend its meetings and to participate, without vote, in its deliberations with respect to items on its agenda relating to matters within the scope of their activities, and it may invite observers from such other intergovernmental organizations as it may consider desirable, in accordance with the practices of the Economic and Social Council.

12. The Commission shall take measures to ensure that the necessary liaison shall be maintained with other organs of the United Nations and with the specialized agencies, with special attention to the avoidance of a duplication of effort. The Commission shall establish appropriate liaison and cooperation with other regional economic commissions in accordance with the resolutions and directive of the Economic and Social Council and the General Assembly.

13. The Commission may establish such liaison as it deems appropriate with intergovernmental organizations in Africa operating in the same field.

14. The Commission shall make arrangements for consultation with non-governmental organizations which have been granted consultative status by the Economic and Social Council, in accordance with the principles approved by the Council for this purpose.
15. The Commission shall adopt its own rules of procedure, including the method of selecting its chairman and other officers.

16. The Administrative budget of the Commission shall be financed from the funds of the United Nations.

17. The Secretary-General of the United Nations shall appoint the Executive Secretary of the Commission. The staff of the Commission shall form part of the Secretariat of the United Nations.

18. The Commission shall submit to the Economic and Social Council once a year a full report on its activities and plans, including those of any subsidiary bodies.

19. The headquarters of the Commission and its secretariat shall be located in Africa. The site of the headquarters shall be decided by the Economic and Social Council in consultation with the Secretary-General of the United Nations. The Commission may in due course also establish such subregional offices as it may find necessary.

20. The first session of the Commission shall be called by the Secretary-General of the United Nations as soon as practicable, but not later than the end of 1958. The Commission shall at each session decide upon the locality of the meeting of its next session, due consideration being given to the principle that the Commission should meet at its headquarters or in the different countries of Africa.

21. The Economic and Social Council shall, from time to time, make special reviews of the work of the Commission.

** At its 1018th meeting on 29 April 1958, the Council decided to choose by ballot among the five sites proposed as the headquarters of the Economic Commission for Africa. Addis Ababa was chosen as the headquarters of the Commission.

X. CONDUCT OF BUSINESS

QUORUM

Rule 42

A majority of the members of the Commission shall constitute a quorum.

POWERS OF THE CHAIRMAN

Rule 43

In addition to exercising the powers conferred upon him elsewhere by these rules, the Chairman shall declare the opening and closing of each meeting of the Commission, shall direct the discussion, ensure the observance of these rules, and shall accord the right to speak, put questions to the vote, and announce decisions. The Chairman, subject to these rules, shall have control of the proceedings of the Commission and over the maintenance of order at its meetings. He shall rule on points of order and shall have, in particular, the power to propose adjournment or close of the debate or adjournment or suspension of a meeting.

Debate shall be confined to the question before the Commission and the Chairman may call a speaker to order if his remarks are not relevant to the subject under discussion.

POINTS OF ORDER

Rule 44

During the discussion of any matter a representative may at any time raise a point or order and the point of order shall be immediately decided by the Chairman in accordance with the rules of procedure. A representative may appeal against the ruling of the Chairman. The appeal shall be immediately put to the vote, and the ruling of the Chairman shall stand unless overruled by a majority of the members present and voting.

A representative may not in raising a point of order speak on the substance of the matter under discussion.
ADJOURNMENT OF DEBATE

Rule 45

During the discussion of any matter, a representative may move the adjournment of the debate on the item under discussion. In addition to the proposer of the motion, one representative may speak in favour of and one against the motion, after which the motion shall be immediately put to the vote.

TIME-LIMIT ON SPEECHES

Rule 46

The Commission may limit the time allowed to each speaker and the number of times each representative may speak on any question, except on procedural questions, when the Chairman shall limit each intervention to a maximum of five minutes. When debate is limited and a representative exceeds his allotted time, the Chairman shall call him to order without delay.

CLOSING OF LIST OF SPEAKERS

Rule 47

During the course of a debate the Chairman may announce the list of speakers and, with the consent of the Commission, declare the list closed. The Chairman may, however, accord the right of reply to any representative if, in his opinion, a speech delivered after he has declared the list closed makes this desirable. When the debate on an item is concluded because there are no other speakers, the Chairman shall declare the debate closed. Such closure shall have the same effect as closure by the consent of the Commission.

CLOSURE OF DEBATE

Rule 48

A representative may at any time move the closure of the debate on the item under discussion, whether or not any other representative has signified his wish to speak. Permission to speak on the closure of the debate shall be accorded only to two speakers opposing the closure, after which the motion shall be immediately put to the vote.
SUSPENSION OR ADJOURNMENT OF THE MEETING

Rule 49

During the discussion of any matter, a representative may move the suspension of the adjournment of the meeting. No discussion on such motions shall be permitted, and they shall be immediately put to the vote.

ORDER OF PROCEDURAL MOTIONS

Rule 50

Subject to rule 42, the following motions shall have precedence in the following order over all other proposals or motions before the meeting:

1. To suspend the meeting;
2. To adjourn the meeting;
3. To adjourn the debate on the item under discussion;
4. For the closure of the debate on the item under discussion.

SUBMISSION OF DRAFT RESOLUTIONS AND SUBSTANTIVE AMENDMENTS OR MOTIONS

Rule 51

Draft resolution shall be introduced in writing and handed to the Executive Secretary, who shall circulate copies to representatives twenty-four hours before they are discussed and voted upon, unless the Commission decides otherwise.

Rule 52

Upon request of any member or associate member the text of any proposal or amendment thereto made by another member or associate member shall be handed over to the Chairman in writing and shall be read by him before any further speaker is called upon, and also immediately before a vote is taken on such a proposal or amendment. The chairman may direct that any proposal or amendment be circulated to the representatives present before a vote is taken. This rule shall not apply to procedural motions such as those referred to in rule 48.
DEcision on Competence

Rule 53

Subject to rule 50, any motion calling for a decision on the competence of the Commission to adopt a proposal submitted to it shall be put to the vote immediately before a vote is taken on the proposal in question.

Withdrawing of Motions

Rule 54

A motion may be withdrawn by its proposer at any time before voting on it has commenced, provided that the motion has not been amended. A motion which has thus been withdrawn may be reintroduced by any representative.

xi. voting

Voting Rights

Rule 55

Each member of the Commission shall have one vote.

Majority Required and Meaning of the Expression “Members Present and Voting”

Rule 56

Except for the provision of rule 8 (b), decisions of the Commission shall be made by a majority of the members present and voting.

For the purpose of these rules, the phrase “members present and voting” means members casting an affirmative or negative vote. Members who abstain from voting are considered as not voting.
METHOD OF VOTING

Rule 57

Subject to rule 60, the Commission shall normally vote by show hands, except that any member may request a roll-call, which shall then be taken in the English alphabetical order of the names of the members, beginning with the State whose name is drawn by lot by the Chairman.

RECORDING OF ROLL-CALL

Rule 58

The vote of each member participating in any roll-call shall be inserted in the record.

CONDUCT DURING VOTING

Rule 59

After the voting has commenced, no member shall interrupt the voting except on a point of order in connection with the actual conduct of the voting. Brief statements by representatives consisting solely of explanation of their votes may be permitted by the Chairman, if he deems it necessary, before the voting has commenced or after the voting has been completed.

DIVISION OF PROPOSALS

Rule 60

The commission may, at the request of a representative, decide to put a motion or resolution to the vote in parts. If this is done, the text resulting from the series of votes shall be put to the vote as a whole. If all the operative parts of a proposal have been rejected, the proposal shall be considered to have been rejected as a whole.

VOTING ON AMENDMENTS

Rule 61

When an amendment is moved to a proposal, the amendment shall be voted on first. When two or more amendments are moved to a proposal, the Commission shall first vote on the amendment furthest removed in substance from the original proposal.
and then on the amendment next furthest removed therefrom, and so on, until all amendments have been put to the vote.

If one or more amendments are adopted, the amended proposal shall be put to the vote in its original form.

A motion is considered an amendment to a proposal if it adds to, deletes from or revises that proposal.

**VOTING ON PROPOSALS**

*RULE 62*

If two or more proposals relate to the same question, the Commission shall, unless it decides otherwise, vote on the proposals in the order in which they have been submitted.

The Commission may, after each vote on a proposal, decide whether to vote on the next proposal.

Any motions requiring that no decision be taken on the substance of such proposals shall, however, be considered as previous questions and shall be put to the vote before them.

**ELECTIONS**

*RULE 63*

All elections of individuals shall be decided by secret ballot unless, in the absence of objections, the Commission decides otherwise.

*RULE 64*

If one elective place is to be filled and no candidate obtains in the first ballot the majority required, a second ballot shall be taken, confined to the two candidates obtaining the largest number of votes. If in the second ballot the votes are equally divided, the Chairman shall decide between the candidates by drawing lots.

In the case of a tie in the first ballot, among the candidates obtaining the second largest number of votes, a special ballot shall be held for the purpose of reducing the number of candidates to two. In the case of a tie among three or more candidates obtaining the largest number of votes, a second ballot shall be held; if a tie results among more than two candidates, the number shall be reduced to two by lot.
Rule 65

When two or more elective places are to be filled at one time under the same conditions, those candidates obtaining a majority on the first ballot shall be elected.

If the number of candidates obtaining such majority is less than the number of places to be filled, there shall be held additional ballots to fill the remaining places. The voting will be restricted to the candidates obtaining the greatest number of votes in the previous ballot, who shall number not more than twice the places remaining to be filled. However, in the case of a tie between a greater number of unsuccessful candidates, a special ballot shall be held for the purpose of reducing the number of candidates to the required number.

If three restricted ballots are inconclusive, unrestricted ballots shall follow in which votes may be cast for any eligible person or member. If three such unrestricted ballots are inconclusive, the next three ballots (subject to exception to the case similar to that of the tie mentioned at the end of the previous paragraph of this rule) shall be restricted to the candidates obtaining the greatest number of the votes in the third of the unrestricted ballots. The number of such candidates shall not be more than twice the places remaining to be filled.

The following three ballots thereafter shall be unrestricted, and so on, until all the places are filled.

EQUALLY DIVIDED VOTES

Rule 66

If a vote is equally divided on matters other than elections, the proposal shall be regarded as rejected.
